The Panineeya Mahavidyalaya Institutions was Established in the year 1976, founded by Sri Dandi Narsimha Shastry. These Educational Institutions under the Trust is committed to setting high standards in the achievement and maintenance of excellence in education. Sri Shastry was the member of the Syndicate & Senate of Osmania University and also associated with many Institutions. He is an Academician who has dedicated his entire life for the cause of Education.

Panineeya Mahavidyalaya was established in the year 1980. A, C.B.S.E. institution committed to setting high standards in achievement and maintenance of excellence in education and research. Our aim is to achieve exceptional performance standards in the field of education and create a new bold and talented generation with a zeal to face the challenges and competition of the world.

## Objectives:

- To inculcate a spirit of compassion, sacrifice and hard work among students based on Indian values.
- Overall personality development.
- To inculcate creative thinking in students.

At **PANINEEYA MAHA VIDYALAYA** Public School we aim at providing academic excellence along with strong moral values, self discipline and positive approach to face any challenges in life. We achieve this through a successful blend of latest technology and traditional Indian education values.

**D. JAGADISH**  
Vice Chairman

At **PANINEEYA MAHA VIDYALAYA** Public School curriculum involves stress free learning with equal emphasis on other activities relating to social development, communication skills, presentation skills and team work. We aim at providing academic excellence along with strong moral values, self discipline and positive approach to face any challenges in life. Our motto is to learn and serve.

**VASUDHA**  
L.L.M, M.A. (Phil), M.A. (PPM), MEd.  
Principal

## Beginning stage

As Gandhiji rightly said education means all round drawing of mind, spirit and body of an individual we should address all the domains to mould our students into winners.

Early childhood education plays an important role to mould an individual for future. We try to create a stimulating play environment for physical intellectual, language, social and emotional development of every child.

We want to create such an environment where tiny tots are being encouraged to bloom without any hurdles.

Smart Class Technology

Activities

Yoga & Meditation

Experiment House
